

**ORDINANCE # 2014-04**

**NEW SUBDIVISION – CURB AND GUTTER**

STATE OF WISCONSIN  
Town of Brillion  
Calumet County

SECTION I – TITLE AND PURPOSE

Curb and Gutters. The purpose of this ordinance is for the town to set specifications for new subdivisions regarding stormwater management.

*CURB AND GUTTERS*

*Curbs and gutters.* Unless otherwise regulated by this ordinance, curb and gutter is required as follows:

- a. Subdivisions or other developments within the Sanitary District of Forest Junction, concrete curb and gutter is required;
- b. Subdivisions or other developments with a proposed density of more than two but less than five units per acre, concrete or California curb is required;
- c. All curbs and gutters installed shall meet the approved standards, and any rolled concrete curb and gutter, if required by this ordinance, shall not be less than 24 inches.
- d. Top of concrete or block wall must be \_\_\_\_\_ inches above inside of curb.

SECTION II - EFFECTIVE DATE

This ordinance is effective on publication or posting.

The town clerk shall properly publish this ordinance as required under s. 60.80, Wis. Stats.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_ 2014.

\_\_\_\_\_  
Wayne Maile, Chairman

ATTEST:

\_\_\_\_\_  
Karen Jannette, Clerk
